Hi Sarah -

I understand from Bill Hyatt that you were discussing internally sharing EPA's letter to OCC regarding RM 10.9. We are getting pressure from the Group to submit a FOIA request and are trying to resist. Do you have any updates?

Thanks,

Karyllan

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.
